

Hi Toby,  
Just wanted to let you know that the food for our reunion was an absolute hit! Everything was delicious, the chicken was especially good.  
Thanks again!

Hi Toby,  
Just wanted to let you know we were extremely pleased with the catering job Hot Rod's did for us on the 23d. The food was excellent, and we got alot of compliments. We were also pleased with the professionalism of the guy who set everything up (sorry, I didn't get his name). If you need any more testimonials we will highly recommend you. Thanks for everything.

Hi Toby and Anthony,  
I hope you got to enjoy the weekend a bit and not work too hard.

I just want to thank you so much for everything. The food was AMAZING as always and the guys, execution, etc. went without a hitch. Not as many people showed up as we planned so I am excited I have some extra to enjoy myself.

Again everything was delicious and incredible. Thank you for the extra menus, I will pass them around a bit and you never know.

Hope to talk to you over the summer.

I will ALWAYS recommend you guys. Please feel free to use me as a reference anytime.

Good luck!
